Zoom PR/Visa Workshop 2, Semester 1 2020 Final Report
 Central Committee Meeting #5 - Friday, 22nd May 2020

1. Introduction

This report concludes the PR/Visa workshop which was held on Friday, 15th May 2020. The objectives of this event are as follows:

- To provide international students with insight into the process and pathways of obtaining a Permanent Resident visa.
- To familiarise students with any newly implemented migration policies.
- To address queries that final year/graduating students may have on visa options and/or migration.

The event details are as follows:

Coordinator	Jun Cheng Woo, Dominic Yew
Date	15th May 2020, Thursday
Time	6:00 PM to 7:30 PM
Venue	Zoom Conference
Speaker	Michael Moeidjiantho
Participants	40
OBs and ISAs	2 OBs and 2 ISAs

2. Event Flow

Time	Activity
5:45pm - 6:00pm	Set-up
6:00pm - 7:00pm	Information Session
7:00pm - 7:30pm	Q&A session with speaker

3.1 Publicity and Registration:

We opened registration a week before the workshop to allow enough time to obtain sufficient responses and received 76 responses. During the workshop we had approximately 40 students who stayed throughout the entire workshop.

3.2 Information session

The information session went smoothly on the event day itself. Participants were asked to ask any questions that they had throughout the workshop in the chat and the ISAs and OBs would compile the questions and the questions would be addressed at the end of the workshop during the half hour Q&A session. This process was orderly, and allowed the speaker to finish his information session in time and we recommend following a similar procedure in all future online and offline PR/Visa workshops.

Due to minor issues with starting and hosting the room previously, we started the room earlier than scheduled (at 5:30pm) to make several co-hosts in case the original host was unable to connect and start the workshop, an issue we faced in the previous workshop.

The slides were provided by the speaker before the event and uploaded after the workshop on the Facebook event page, allowing us to publicise the workshop materials in a timely manner.

3.3 Issues during the workshop and suggestions for the future

Throughout the workshop we encountered several with the speaker (Micheal Moeidjiantho from SACC), who frequently and blatantly advertised his agency although we had explicitly warned him not to, as UMSU International does not endorse any single migration agency, and this unfairly funnels students towards his agency.

Examples of problems included:

- Ignoring or insufficiently answering several questions and instead offering free appointments to students
- Redirecting students who required information that could be sufficiently answered by the Victorian State Government website instead to the RACC agency website
- Being impatient with questions asked in the previous workshop, even though this workshop was designed for those who missed the last workshop
-

Along with several other problems which we had brought up several times in the past. Therefore we do not recommend ever hiring or contacting Micheal for his services **ever again**. In his place we recommend instead contacting Yapit from YNJ who has been much more cooperative for the next PR/Visa workshop.

4. Conclusion

This marks the end of the report for PR/Visa Workshop Semester 1 2020. Overall, the workshop was a success and ISAs did a fantastic job in ensuring that the event went smoothly and compiling and organising questions to be asked.

We would like to express our gratitude to all the ISAs and the OBs who helped make the event successful. Please do not hesitate to contact any of us at Education and Welfare should you have any further queries or concerns.
